Fund objective

An actively managed, flexible fixed interest solution for conservative investors that have a 2-year investment horizon. It aims to provide a high level of income greater than cash. Investment preservation is of primary importance and diversification across high yielding asset classes offers downside protection. It is allowed to invest offshore up to the prescribed offshore limit as per regulations. The solution is Regulation 28 compliant.

Fund manager

Managed by Terebinth Capital. A specialist boutique asset manager earning multiple awards.

Investment strategy

To determine asset allocation, Terebinth Capital applies a two-fold approach: combining macro analysis and quantitative precision. This allows them to produce the most optimal asset allocation in the current macro investment outlook.

This fund is available via certain LISPS (Linked Investment Service Providers), which levy their own fees. Amplify Investment Partners earns a percentage of the management fee.

Advice Fee: Any advice fee is negotiable between the client and their financial advisor. An annual advice fee negotiated is paid via a repurchase of units from the investor.

TER PERIOD: 01 July 2022 to 30 June 2025

Total Expense Ratio (TER) | 0.59% of the value of the Financial Product was incurred as expenses relating to the administration of the Financial Product. A higher TER does not necessarily imply a poor return, nor does a low TER imply a good return. The current TER may not necessarily be an accurate indication of future TER's. Inclusive in the TER of 0.59%, a performance fee of 0.00% of the net asset value of the class of Financial Product was recovered.

Transaction Cost (TC) | 0.04% of the value of the Financial Product was incurred as costs relating to the buying and selling of the assets underlying the Financial Product. Transaction Costs are a necessary cost in administering the Financial Product and impacts Financial Product returns. It should not be considered in isolation as returns may be impacted by many other factors over time including market returns, the type of Financial Product, the investment decisions of the investment manager and the TER.

Total Investment Charges (TER + TC) | 0.63% of the value of the Financial Product was incurred as costs relating to the investment of the Financial Product.

Effective 1 December 2024, SCI will charge a monthly administration fee of R23 (VAT Inclusive) on retail investors whose total investment value is less than R50 000. Clients with an active recurring monthly debit order will not be levied this fee.

This fund qualifies as a tax free investment according to section 12T of the Income Tax Act, with effect from 1 March 2015. South African individuals qualify for the associated tax benefits namely no tax on dividends, income or capital gains whilst still enjoying all the benefits of a unit trust. Note contributions to tax free investments are limited to R36 000 per tax year, with a lifetime limit of R500 000. Amounts invested in excess of these permissible thresholds are taxable.

The portfolio manager may borrow up to 10% of the market value of the portfolio to bridge insufficient liquidity. Fluctuations or movements in exchange rates may cause the value of underlying international investments to go up or down.

Investment Manager Disclaimer:

The management of investments is outsourced to Terebinth Capital (Pty) Ltd, (FSP No. 47909), an Authorised Financial Services Provider under the Financial Advisory and Intermediary Services Act, 2002 ("FAIS").

Disclaimer:

The Manager retains full legal responsibility for the Co-Brand Portfolio.

All reasonable steps have been taken to ensure the information on this MDD is accurate. The information to follow does not constitute financial advice as contemplated in terms of the FAIS Act. Use or rely on this information at your own risk. Independent professional financial advice should always be sought before making an investment decision.

The Sanlam Group is a full member of the Association for Savings and Investment SA ("ASISA"). Collective investment schemes are generally medium- to long-term investments. Please note that past performance is not necessarily a guide to future performance, and that the value of investments /units / unit trusts may go down as well as up. A schedule of fees and charges and maximum commissions is available from the Manager, Sanlam Collective Investments (RF) (Pty) Ltd, a registered and approved Manager in Collective Investment Schemes in Securities. Additional information of the proposed investment, including brochures, application forms and annual or quarterly reports, can be obtained from the Manager, free of charge. Collective investments are traded at ruling prices and can engage in borrowing and scrip lending. Collective investments are calculated on a net asset value basis, which is the total market value of all assets in the portfolio including any income accruals and less any deductible expenses such as audit fees, brokerage and service fees. Actual investment performance of the portfolio and the investor will differ depending on the initial fees applicable, the actual investment date, and the date of reinvestment of income as well as dividend withholding tax. Forward pricing is used. The Manager does not provide any guarantee either with respect to the capital or the return of a portfolio. The performance of the portfolio depends on the underlying assets and variable market factors. Performance is based on NAV to NAV calculations with income reinvestments done on the ex-dividend date. Lump sum investment performances are quoted. The portfolio may invest in other unit trust portfolios which levy their own fees, and may result in a higher fee structure for our portfolio. All the portfolio options presented are approved collective investment schemes in terms of the Collective Investment Schemes Control Act, No 45 of 2002 ("CISCA"). The fund may from time to time invest in foreign countries and therefore it may have risks regarding liquidity, the repatriation of funds, political and macroeconomic situations, foreign exchange, tax, settlement, and the availability of information. The Manager has the right to close any portfolios to new investors to manage them more efficiently in accordance with their mandates. A copy of the Performance Fee Frequently Asked Questions can be obtained from our website: www.sanlaminvestments.com. The portfolio management of all the portfolios is outsourced to financial services providers authorised in terms of the FAIS Act, 2002. Standard Bank of South Africa Ltd is the appointed trustee of the Sanlam Collective Investments Scheme.

Amplify Investment Partners (Pty) Ltd an Authorised Financial Services Provider, (FSP No. 712), is wholly owned by the Sanlam Investments Group. Performance figures sourced from Morningstar.
