Statutory Disclaimer & Notes

Boutique Collective Investments (RF) (Pty) Ltd ("BCI") is part of the Apex Group Ltd. BCI is a registered Manager of the Boutique Collective Investments Scheme, approved in terms of the Collective Investments Schemes Control Act, No 45 of 2002 and is a full member of the Association for Savings and Investment SA. Collective Investment Schemes in securities are generally medium to long term investments. The value of participatory interests may go up or down and past performance is not necessarily an indication of future performance. Valuation takes place daily and prices can be viewed on our website (www.hollard.co.za). The Manager does not guarantee the capital or the return of a portfolio. Collective Investments are traded at ruling prices and can engage in borrowing and scrip lending. Portfolio valuation and transaction cut off times for all Hollard BCI CIS Funds except for the Hollard BCI Money Market Fund is 14:00. Hollard BCI Money Market Fund cut off time is 12:00. A schedule of fees, charges and maximum commissions is available on request. BCI reserves the right to close the portfolio to new investors and reopen certain portfolios from time to time in order to manage them more efficiently. Additional information, including application forms, annual or quarterly reports can be obtained from BCI, free of charge. Performance figures quoted for the portfolio is from Morningstar, as at the date of this document for a lump sum investment, using NAV-NAV with income reinvested and do not take any upfront manager's charge into account. Income distributions are declared on the ex-dividend date. Income is reinvested on the reinvestment date. Actual investment performance will differ based on the initial fees charge applicable, the actual investment date, the date of reinvestment and dividend withholding tax. Actual annual performance figures are available to existing investors on request. Investments in foreign securities may include additional risks such as potential constraints on liquidity and repatriation of funds, macroeconomic risk, political risk, foreign exchange risk, tax risk, settlement risk as well as potential limitations on the availability of market information. Asset allocation may not add up to 100% due to rounding. Boutique Collective Investments (RF) Pty Ltd retains full legal responsibility for the third party named portfolio. Although reasonable steps have been taken to ensure the validity and accuracy of the information in this document, BCI does not accept any responsibility for any claim, damages, loss or expense, however it arises, out of or in connection with the information in this document, whether by a client, investor or intermediary. This document should not be seen as an offer to purchase any specific product and is not to be construed as advice or guidance in any form whatsoever. Investors are encouraged to obtain independent professional investment and taxation advice before investing with or in any of BCI/the Manager's products. Access the BCI Privacy Policy and the BCI Terms and Conditions on the BCI website (www.bcis.co.za). A money market portfolio is not the same as a bank deposit account. The price is targeted at a constant value. The total return to the investor is made up of interest received and any gain or loss made on any particular instrument. In most cases the return will merely have the effect of increasing or decreasing the daily yield, but that in the case of abnormal losses it can have the effect of reducing the capital value of the portfolio. Excessive withdrawals from the portfolio may place the portfolio under liquidity pressures and in such circumstances a process of ring-fencing of withdrawal instructions and managed pay-outs over time may be followed. The yield is calculated using an annualised seven day rolling average.
